SCHEME FOR THE ENGAGEMENT OF TEACHERS IN GOVERNMENT SCHOOLS AFFILIATED TO CENTRAL BOARD OF SECONDARY EDUCATION (CBSE) ON "FIXED HONORARIUM/CONSOLIDATED AMOUNT"

1. INTRODUCTION:

- a. The State Government, in discharge of its constitutional obligation to provide equitable, inclusive and quality education, and in alignment with the vision and guiding principles of the National Education Policy, 2020, has undertaken a series of systemic reforms in the school education sector. These reforms emphasize competency-based learning, foundational literacy and numeracy, activity-based and competency-based learning approaches and continuous professional development of teachers. In furtherance of these objectives, the Government has taken a policy decision to shift the affiliation of selected Government schools from the Himachal Pradesh Board of School Education (in short 'HPBOSE') to the Central Board of Secondary Education (in short 'CBSE'), with a view to ensuring national-level standards, wider academic exposure, national/international mobility and enhanced opportunities for students, particularly those in rural and tribal areas.
- b. Consequent upon such transition, an immediate and critical requirement has arisen for the availability of suitably qualified, professionally competent and CBSE-oriented teachers in these schools. The existing system is constrained by a shortage of qualified teachers capable of effectively delivering CBSE curriculum in a competency-driven and outcome-oriented manner. Further, the conventional methods of recruitment against sanctioned posts of teachers, though necessary in the long term, involve procedural timelines which are likely to delay timely deployment of teachers in CBSE affiliated Government Schools. Such delay may likely to adversely affect the academic interests of students and the quality of education during this crucial transition phase in newly affiliated CBSE schools.
- c. In order to address this emergent requirement, while ensuring adherence to the principles of equality, transparency and merit in public employment as envisaged under Articles 14 and 16 of the Constitution of India, the Government has decided to introduce a structured, merit-based selection/engagement through competitive examination in time bound manner, to be engaged temporarily on fixed honorarium or consolidated monthly amount. This approach enables timely availability of teaching resources while maintaining fiscal prudence as well.

5/1/22

d. The Government is further of the considered view that improving educational outcomes in CBSE affiliated Government schools requires engagement of highly qualified and professionally competent teachers with academic standards aligned with the objectives of National Educational Policy, (in short NEP, 2020). This initiative is intended to promote professionalism, accountability, flexibility in deployment and performance- oriented teaching practices. Accordingly, after due consideration, the State Government hereby introduces a comprehensive scheme namely "*Scheme for Engagements of teachers in Government school affiliated to the Central Board of Secondary Education (CBSE) on fixed Honorarium or Consolidated Amount*", with the objective to ensure timely availability of quality teachers, strengthening institutional capacity and improving learning outcomes for all students from Foundational Stage to Senior Secondary Stage.

2. AIMS AND OBJECT OF THE SCHEME

- a. To ensure immediate and timely availability of suitably qualified, professionally competent teachers in Government schools, affiliated to CBSE, so that academic continuity is maintained and the interests of students are safeguarded during the transition phase.
- b. To improve the overall quality of school education by promoting competency-based learning, foundational literacy and numeracy, activity-based and learner-centric teaching approaches, and integration of skills essential for holistic development of students, in alignment with the objectives of the National Education Policy, 2020.
- c. To establish a fair, transparent and merit-based system of selection through a competitive examination and structured counseling process, ensuring adherence to the constitutional principles of equality, equal opportunity and non-arbitrariness in public employment.
- d. To engage teachers possessing higher academic qualifications, subject expertise and professional competence so as to effectively meet the academic, pedagogical and assessment requirements of CBSE curriculum.
- e. To promote professionalism, accountability and performance-oriented teaching practices by clearly defining roles, responsibilities and expected learning outcomes, thereby ensuring measurable improvement in student achievement levels.
- f. To enable flexibility in deployment and optimum utilization of teaching resources, including multi-subject teaching and rational distribution of teachers across

WY

schools/classes clusters or regions, in the larger interest of students and the education system.

- g. To provide a time efficient and administratively feasible alternative to conventional recruitment processes, which are inherently time-consuming, so as to address urgent requirements without compromising transparency and merit.
- h. To ensure financial sustainability and prudent management of public resources by adopting a model of engagement on fixed honorarium or consolidated amount basis, without creation of additional permanent posts, while maintaining the desired quality of human resources.
- i. To strengthen institutional capacity of Government schools by infusing qualified human resources capable of adopting innovative teaching practices, use of technology in education, and continuous academic improvement.
- j. To enhance access to quality education for students, especially those belonging to rural, remote and tribal areas, by providing exposure to CBSE curriculum, national-level standards and improved academic opportunities.
- k. To support effective implementation of the State Government's policy initiatives, including transition from HPBOSE to CBSE and alignment with NEP 2020, ensuring that systemic reforms translate into tangible improvements in classroom practices and student outcomes.
- l. To provide adequate teaching resource to fill the gap between the required and actual competence level of students.

3. DEFINITIONS:

- a. **"Agency/Recruiting Agency"** means an authority or agency authorized by the Government to conduct selection process for engagement under this Scheme and to recommend suitable candidates to the requisitioning Department.
- b. **"Competent Authority"** means the authority competent to approve and make engagement under this Scheme, as may be notified by the Government from time to time.
- c. **"Engagement"** means selection of eligible and meritorious candidates for deployment as teachers of different categories in Government schools, on fixed honorarium/amount temporarily for a specified period, without creation of any sanctioned post under this Scheme through a competitive process followed by counseling..
